# The Cause. The Beneficiaries.

A dynamic Senior Center benefits not only seniors but people of all ages by protecting the history and heritage of the community and serving as a positive model for future generations. A Senior Center emphasizes integral wellness, independence and confidence, inspiring seniors to be engaged, happier and productive.

Just ten years old, GHSC has a well-established set of activities and classes that continue to grow. We seek to carry on invigorating activities such as:

- Tai Chi, S.A.I.L (Stay Active and Independent for Life)
- Computer classes, arts and craft classes, wellness classes,
- A variety of senior services including health care referral
- Lifelong Learning classes
- ...and much more, through grants.

Membership is fee-based, but no one is turned away due to inability to pay, but membership fees alone do not sustain the Center.

GHSC is a dynamic Senior Center that provides enjoyable activities, senior services and resources to a growing senior population. Healthy and contented seniors are integral to a strong community. **Help us continue this work.**

## The Goal.

To raise \$20,000 annually for the Gig Harbor Senior Center Program Fund and its endowment. Raised funds will support essential programs, provide membership scholarships and continue enriching the lives of Gig Harbor and Key Peninsula community seniors...so join us in **INDULGEment.**
