The Gig Harbor Senior Center is a program of the Greater Gig Harbor Foundation (GGHF), a registered 501(c)(3) charitable nonprofit organization serving the Gig Harbor and Key peninsulas since 2006.

The Cause. The Beneficiaries.

A dynamic senior center benefits not only seniors but people of all ages by protecting the history and heritage of the community and serving as a positive model for future generations. Today's senior center is action-packed with programs emphasizing integral wellness, independence and confidence.

GHSC has well-established programs and invigorating activities that continue to grow. Our goal is to continue and expand programs like,

- Tai Chi, S.A.I.L (Stay Active and Independent for Life)
- Technology skills, Mahjong, art, craft, wellness classes, and workshops
- A variety of senior services including health care referral and outreach
- Lifelong Learning classes that are inspiring and on point
- Competitive beanbag baseball team and Saturday Breakfast Club
- GHSC gatherings ...and much more!

Membership is fee-based, but no one is turned away due to inability to pay. Though, membership fees alone do not sustain the Center.

GHSC is a vibrant senior center that provides an integrated system of **programs, activities, services** and **resources** to our community's growing senior population and their families. **Your support will help us continue this work.**

The Goal.

To raise \$20,000 annually for the Gig Harbor Senior Center Program Fund and its endowment. Raised funds will support essential programs, provide membership scholarships and continue enriching the lives of Gig Harbor and Key Peninsula community seniors.
