Curious by Nature
Enrichment Class Schedule Session 1

Wellness Week
Feb 27-Mar 1
Join us as we explore nutrition and movement through cooking, yoga, obstacle courses and movement crafts.

Camp Cardboard
Mar 6-8
Our art studio will transform into a cardboard wonderland for crafting, cutting & painting. We are inviting our imaginations to explore all things cardboard!

Weather Science
Mar 13-15
It's science week! We are learning and experimenting with the wacky & wild weather of the Pacific Northwest and beyond.

'Not a Stick'
Mar 20-22
Inspired by the book by Antoinette Portis, we will put our imaginations to use this week to create, play, and explore the many possibilities of a stick.

Sound Lab
Mar 27-29
It's time to make some music! We are experimenting with sound & vibrations while creating musical instruments of our own.

Clucks & Quacks
April 3-5
The loose-parts lab will be stocked for egg- gineering pods for an egg drop as the class science center gets set for learning about our egg laying friends.

Family Moon Monday Afternoons
Mar 6th & Apr 3rd
