What is the #Community Harvest?

The #Community Harvest is a collaborative project between the Greater Gig Harbor Foundation, FB4K and the Basket Brigade. **The focus... ending hunger in our community.**

Hunger in our community is a significant problem.

An average of nearly 30% of all youth enrolled in our schools come from families meeting federal criteria for free or reduced meals at school. For many, these are the only meals they receive with any regularity. The translation – about 2,300 children (1 in 4) across our community struggles with hunger – and 1 in 7 adults.

The Goal. Food and funds to provide these children and their families nutritious weekend meals for the next 8 months. **29 weeks, 425 families, 12,000 meals.**

How Can You Help? A \$12 donation will help provide a weekend crockpot meal for one family – or buy recipe ingredients and donate them directly to the #Community Harvest project today!

More Information? Interested in learning how to sponsor a recipe, organize a #Community Harvest Food Drive, make a donation or otherwise get involved? Call **(253) 514-6338**, or visit www.gigarborfoundation.org/communityharvest

IN PARTNERSHIP

The Greater Gig Harbor Foundation is a 501(c)(3) charitable nonprofit organization registered with the Washington State Charities Program. All donations are tax deductible to the extent allowed by law.
